Ooh...

We can
Do anything
Show me you
Trapped in fear

White snow is falling
And covering your heart
Tell me first
So that I can see your bright smile

When tears roll down your eyes sometimes

I'll be there for you
That I'll hug you
Please open your heart

Like we'll be together forever
Talking about the memories

In the picture
Moments with you
I'll cherish them

Come to me anytime
Tell me everything

When you're tired
I'll stand by you

I feel like we can't live without each other
Walking on the same road
Falling into step
One two let's dance
I hope this moment will last forever

When we see each other
Promise me one thing
Keep
Smiling
I'll be fine on your side

When tears roll down your eyes sometimes

I'll be there for you
That I'll hug you
Please open your heart

Like we'll be together forever
Talking about the memories

In the picture
Moments with you
I'll cherish them

Come to me anytime
Tell me everything

When you're tired
So that I can stand by you
