I feel your eyes that are completely unreadable
You're not showing any signs of emotion
Behind the mask that hides you
(We're facing each other)
I feel you, who has lost your self that was once so clear

And I yey yey yey yeah
Stop hiding yourself
And now it's time you told me
No more lies (I want you)
Yey yey yey yeah
You are beautiful when you are more yourself
Don't ever hide inside yourself that's not the real you
Baby no way no way no way

Beautiful, beautiful
Please don't shut me down
Escape everything right now, babe
Imma break it break it down, break it break it down
Imma break it break it down, break it break it down
Beautiful

Don't look for yourself in a mirror that's already broken
You can try to look for yourself there but that won't be you
Before you lose your beautiful self
In all the passing scenes
That have awakened you

And I yey yey yey yeah
Stop hiding yourself
And now it's time you told me
No more lies (I want you)
Yey yey yey yeah
You are beautiful when you are more yourself
Don't ever hide inside yourself that's not the real you
Baby no way no way no way

Beautiful, beautiful
Please don't shut me down, escape everything right now, babe
Imma break it break it down, break it break it down
Imma break it break it down, break it break it down
Beautiful

(Yey yeah, yey yeah, yey yeah yeah, yey yeah)
Look at your self
You are enough, so before your beauty disappears
(Beautiful)
(Yey yeah, yey yeah, yey yeah yeah, yey yeah)
Don't be afraid to face
Your hidden self, show yourself
I can't let you be trapped
In this silent and dark mask

Beautiful, beautiful
Please, don't shut me down
Escape everything right now, babe
Imma break it break it down, break it break it down
Imma break it break it down, break it break it down
Beautiful
