Feel so high in my live
Look at this, get out of the way, dead end, check
Call me at night, after that
Look at the sky and the stars
Bounce bounce bounce

Can't to go mama, now pray
Cinderella's curfew, 24 back
Coming coming I just stay
Look at this keep my way
Yeah

You'll regret it if you keep holding it in
So just do what you want today, baby
Who can judge you on what's good and what's bad?

Now show me yourself

Like a bad calf with a horn on its butt
Crazy night
Take out your hidden heart
When you get annoyed, just act out
Like a kid
Like a bad calf with a horn on its butt

I keep my mine
First impression of me is a rude guy
If someone nags at me
I'll spit back at them
Then run away
In my beautiful, one life to live
I only wanna see good things
Hear good things and eat good things
As if today will never come back, baby
Ya

I like feeling messed up
Good good
Grand mother father, let's go back
Ole ole
Back to the innocent days of youth
This song is comforting you right now
I'm so happy right now

Like a bad calf with a horn skrr
Crazy night
Take out your hidden heart
When you get annoyed, just act out
Like a kid
Like a bad calf with a horn skrr

What we need is courage, so put on that first button right
Yeah
Sometimes, there can be waves in your heart
Until the convenience stores close
Until the subways open back up
Will you listen to this song?
So everyone can be happy?

Just 1 2 3 7 however my heart leads me
4 3 2 100 just as I've been doing
If I tag you just become ice
Who cares if you're a little wrong?
I'm gonna go back to those immature days

Like a good calf with a horn on its butt
Crazy night
Take out your hidden heart
Crazy night
Like a good calf with a horn on its butt

1 2 3 7 however my heart leads me
4 3 2 100 just as I've been doing
Just like the star of a movie
Like a good calf with a horn on its butt
