

Dawning

DMA's

What would you do if it came to me?
And what if it came to you?
Know I was heavy as this burns me
Why would we have to choose?

Because in the dawning
You will wait for
For her warning
She was warning
Yeah

I don't know of anyone
That's taken this from me
I'm lonelier than I've ever been
I'm lonely without you
Because it was time for
You to leave me
And are you leaving?
Or are you breathing?
Or going out more?
In the dawning
She was warning
Yeah

Call this on me
Is it my trial?
A dear wear on me
It is my trial
Call this on me
And I need more
Are you more?
Are you more?

Cause in the dawning
I will wait for
For her warning
Is she warning?
Or going out more
Yeah
No
Yeah
No
Yeah
No
Yeah
