

Hello Girlfriend

DMA's

Such a funny thing for me to try to explain
I was not here, but I guess I was away
I feel strange 'cause they took apart my brain
Now I think of it, my head just feels the same, oh

Hello doctor
Hello mother
Hello girlfriend
Little brother

Hello girlfriend

Oh, Christie, look what you made here
You have given more to me
Than you've ever known
Shoot me back down, I'm goin' crazy

I was thinkin' 'bout what I did to get here
I feel stupid, but I guess that I shouldn't care
I wanna watch TV and wait till dinnertime
What's for dessert? I hope it's apple pie, yeah

Hey, all that you have is on the table
You're sittin' at
Stop, open me up just like a window
You're lookin' out
And I'll wait, and I'll wait, I was wrong, but you're strong
And I'm tellin' you now

Oh, Christie, look what you made here
You have given more to me
