

Never Before

DMA's

Oh, never before
You're back on Earth
We're still dreamin'

Oh, never before
It turns my world
And I'm still dreamin'
I'm still dreamin'

Stop me, I lost myself
And I'll be movin' on, you're the one I want
Stop me, I lost myself
And I'll be movin' on, you're the one I want
Stop me, I lost myself
And I'll be movin' on

Oh, hear it again
Spinnin' out
With you I'm leavin'
With you I'm leavin'

Stop me, I lost myself
And I'll be movin' on, you're the one I want
Stop me, I lost myself
And I'll be movin' on, you're the one I want
Stop me, I lost myself
And I'll be movin' on, you're the one I want
Stop me, I lost myself
And I'll be movin' on

Never alone, never alone, now I'm here
Never alone, never alone, now I'm here

Always spinnin' out
Always spinnin' out
Always spinnin' out
Always spinnin' out

Always spinnin' out
Always spinnin' out
Always spinnin' out
Always spinnin' out

Always spinnin' out
Always spinnin' out
Always spinnin' out
Always spinnin' out

Always spinnin' out
Always spinnin' out
Always spinnin' out
Always spinnin' out

Always spinnin' out
Always spinnin' out
