Dogs Out

This is dedicated to, this is dedicated to The streets, this is dedicated to

And the dog is out, arf arf arf arf And the dog is out, arf arf arf arf And the dog is out, arf arf arf arf It's just D And the dog is out

Started gettin a little too big for the cage that I been trapped in Cats new it was a problem, went from robbin to rappin Guns got the clappin, another trip to the morgue We all know why it's happenin, another bit by the dog When there's nothin left to eat, I ate away at my soul Felt destructive cause I don't give a fuck if I go I know y'all been told I don't give a fuck about livin Killin other dogs got you cats chasin bitches Got me itchin to bring back the beast from within What I catch I'ma eat, in the streets I'ma win I've been top dog and I'ma stay top dog So what the fuck you got to say dog? You cats play games that dog ain't with Suck my dick, behind my back dog ain't shit Well this is it, from now on if you ain't out the camp We out to clamp, put 'em up against the champ You bitch

And the dog is out, arf arf arf arf And the dog is out, arf arf arf arf And the dog is out, arf arf arf arf It's just D And the dog is out, c'mon c'mon (2x)

I don't think you cats see too clearly If it ain't that you must be deaf, cause y'all niggaz don't hear me But I know I got you scared to death How many other niggaz you know when you see 'em make you hold your breath? All a nigga did was take a pause Did a couple of movies and you thought this whole rap shit was yours? Stop being greedy, when was the last time you gave to the needy Believe me, I run through niggaz like hallways with the cops behind Give it to a nigga all day cause I pops the nine Man listen, if you don't wanna see your man missin, man listen I get dough like a nigga in a up north flick And still roll like a nigga on some up north shit The way dog flip out, cats'll never understand Niggaz be like "X I thought I was your man!" Not!

And the dog is out, arf arf arf arf And the dog is out, arf arf arf arf And the dog is out, arf arf arf arf It's just D And the dog is out, c'mon c'mon
