Lord, what would I be without you? Nothing
Where would I be without you? Nowhere
Who would I be without you? No one
I want to thank you for making me something
I want to thank you for divinely moving in me
And letting my life be a presence, even at my worst and most chaotic
You have allowed me to be a blessing for others
I want to thank you, Lord
I want to humbly say I appreciate you
For I know not where I'm going, but I know you have me on my path
And I know not my purpose, but I know you have one for me. Amen.

Let us pray
Father, thank you for making me righteous
And accepted through the blood of Jesus
Because of that, I am blessed and highly favored by you
I am the object of your affection
Your favor surrounds me as a shield
And the first thing that people come into contact with is my favor shield
Thank you, that I have favor with you, and man today. Amen.

All day long, people go out of their way to bless and to help me
I have favor with everyone that I deal with today
Doors that were once closed are now open for me
I receive preferential treatment, and I have special privileges
I am God's favorite child

All I have, you gave to me
All I am, you made me to be
Lord, you see my thoughts. You know my heart.
You see my offense. You forgive it all.
Your mercy and grace. Your favor for life.
I'm so unworthy
But you are kind. And your goodness blows my mind.

No good thing will He withhold for me. For me.
Because of God
God's favor, my enemies cannot triumph over me
I have supernatural increase in promotion
I declare restoration of everything that the devil has stolen from me
I have honor in the midst of my adversaries and an increase of assets
Especially in real estate and expansion of territory
Because I am highly favored by God
I experience great victories, supernatural turnarounds
And miraculous breakthroughs in the midst of great impossibilities
I receive recognition, prominence, and honor
Petitions are granted to me even by ungodly authorities
Policies, rules, regulations, and laws are changed and reversed on my behalf
I win battles that I don't even have to fight because God fights them for me

This is the day, the set time
And designated moment for me to experience the free favors of God
That profusely and lavishly abound on my behalf
In Jesus' mighty name we have prayed
Amen and amen
