

# Fuckin' wit' D

DMX

Grrrrrrrrrrrrrrrrr.....

What's on y'all niggaz minds  
fuckin' wit' me, y'all know somebody has  
told you about fuckin' wit' D, stuck in  
a tree is what you will be, like a cat  
and I'm the dog at the bottom, lookin' up  
what's that.

Your worst nightmare is I take it right there,  
you got niggaz comin' where they at, right  
where? I make 'em like air, floatin' away, wouldn't  
tell what he was thinkin' so I opened a way,  
Went from broken away, you know he hurt before he died,  
makes you wonder if he lost his shirt before he died, only  
two knew the answer and one of us is dead, so anyone who  
seeks the truth can get it straight to head!  
Than you and him can discuss what I did, yeah it was  
wrong dog but I slid, i'll repent one day, just not right  
now, you hear my shit all on the street i'm kinda hot  
right now!

Come on!

I don't give a fuck about  
Ch'yall niggaz cause y'all  
Ain't killin' nuttin'!!!

I don't give a fuck about  
Ch'yall niggaz cause y'all  
Ain't killin' nuttin'!!!

I wanna break bread wit' da' katz  
that I starve with, wanna hit the  
malls with the same dogz I rob wit',  
wanna be able to laugh with the niggaz  
that I cried with, when it's over be like  
these is tha niggaz that I died wit'.  
What do you do when you find out in the  
hall there's a rat, what do you do when  
you find out that your dog is a cat,  
Shit, on niggaz back, can't hold but two  
so while you gettin' more gatz i'm puttin' wholes  
in you, snubnose will do, break 'em off real  
proppa', need to keep it' spittin' but I ain't gonna stoppa', cocka, unlocka  
, let  
'em go, give it to his man just to let him know,  
All things considered it was real for' a minute,  
got what was yourz and tried to steal sometin' wit  
it, now feel sometin' hit it, your chest that is,  
the best that is, is probaly the best that slid,  
yo stress that kid!

I don't give a fuck about  
Ch'yall niggaz cause y'all  
Ain't killin' nuttin'!!!

I don't give a fuck about

Ch'yall niggaz cause y'all  
Ain't killin' nuttin'!!!

When Niggaz hear that dog bark,  
they betta run, when police hear  
that dog bark they betta come, they  
expect tha same thing that's live,  
and they lives will be lost, there  
is a price to pay, how many lives  
will be lost, COME ON!

Since I run with the devil i'm one  
with the devil, I stay doin' dirt so  
I'm gonna come with the shovel,  
Hit chyou on a level of a madman who's mind's  
twisted, Made niggaz dreams caught the last  
train, mines missed it, Listed as a manic  
depressin' with extreme paranoa! and dog  
I got sometin' for ya! hear my name, feel my pain,  
niggaz wanna steal my fame, but first feel  
my reign, know what it's like to suffer, never  
have enough of shit, startin' off hard than  
only gettin' rougher! tougher, but than came  
the greese, so if you wanna say peace, tame the beast!
