

# Let Me Fly

DMX

Uh. Yea. Uh. If you love something let it go, if it  
comes back to you it's yours. If it doesn't, it never was.  
Hold me down baby

Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'ma die anyway, I'ma live on  
but I'll be gone any day  
(2x)

Hold me down, niggaz wanna know me now  
Didn't want ta play wit' me when to show me how  
No meow  
Is it all about the bark?  
Let the dog lose baby it's about to spark  
Light up the night, like the 4th of July  
Niggaz know, when I let go, niggaz die  
wit' this Y and you don't know you slow like Baltimore  
If you ain't tryin' ta go ya blow  
I soke up all the pain and except it in silence  
When I let go it's violence cause the wildest  
leaves the dog barkin' up the tree for the cat  
in the fog but ya'll niggaz see is the bat  
Flappin' away wit' em blind like Stevy  
Niggas don't hear me, still tryin' to see me  
Stop being greedy, ya heard what I said  
Let me go, let me flow on my bed

Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'ma die anyway, I'ma live on  
but I'll be gone any day  
(2x)

I sold my soul to the devil, and the price was cheap  
A yo it's cold on this level cause it's twice as deep  
But you don't hear me, ignorance is blisning and so on  
Sometimes it's better to be taught dumb  
Shall I go on  
You don't want no real, what the deal is a mystery  
How is it I can live and make history  
If you don't see it then it, wasn't ment for you to see  
If you wasn't born wit' it then, it wasn't ment for you to be  
But you can't blame me for not wantin' to be hound  
lock down in a cell wit' a soul gettin' dwelled  
This is hell, go get the devil and get me the key  
but can't be worst than the curse that was given ta me  
It's what I live for, you take away that and I'm gone  
There's a difference between, doin' wrong and being wrong  
and that ain't right  
Just keep it fair baby  
Put me in the year, and I'll take it there baby  
Yes

Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'ma die anyway, I'ma live on

but I'll be gone any day  
(2x)

I'm a flow regardless because I'm an artist until I'm trapped  
I'ma continue to hit the hardest whether I scrap or rap  
Give me death but you ain't my friend  
I see it in your eyes, you contemplate my end  
You waitin' for that bin in the road, where you were told  
that you would go, when you were old  
and if you died young, it was told  
So what the dilly, what it was worth  
Think back 26 years, be like what of his birth  
What if it was a miscarriage and I never existed  
Have I given something that have been taken away you  
would of missed it  
Didn't know, did I persisted?  
It was the call of the wild  
I'm here to say what's in my heart, and you call it a style  
Don't put it in the cage, don't mistreat it  
You say you hunger for knowledge, here it is eat it  
Another soul completed is another thought captured  
Let me do my thing I got it locked wit' this rap shit

Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'ma die anyway, I'ma live on  
but I'll be gone any day  
(2x)

Or give me death, uh uh uh, or take my breath  
I'ma die anyway, but I'll be gone any day  
Where my niggaz?  
(3x) Uh ha ha, for my niggaz
