

Soldier

DMX

Warrior, soldier man and arms, get down scars on my hands and arms, hit town niggas that man is armed, sit down fuck around and plant a bomb

Warrior, soldier man and arms, get down scars on my hands and arms, hit town niggas that man is armed, sit down fuck around and plant a bomb

Bitch, rare ti the streets, made it out of NY, come to AZ cowboys tryna end my,

man you cant be serious homie besides mountains ain't a fucking thing you can show me.

Yo cats is playin a dangoures game fuck around get touched just for sayin my name

Theres to much desert and my dudes is in it ones I prove you did it Imma lose you in it

Ones the crew is in it dogs of the chain ER half a mile take of your brain.

Grind niggas up feed them to the outer leeders.

(nightwishing grr?) from the mountain but cant see this

Don't fuck with what you don't know about.

I got some things and its time to bring em out (bring em out bring em out bring em out)

Warrior, soldier man and arms, get down scars on my hands and arms, hit town niggas that man is armed, sit down fuck around and plant a bomb

Warrior, soldier man and arms, get down scars on my hands and arms, hit town niggas that man is armed, sit down fuck around and plant a bomb

Move, bitch get out the way boom boom boom, got lost boys come out and play

See theres home boys and theres cowboys. Fuck it yall lets get it on now boy, Imma show you how boy

Faggots acting like a broke back mountain, faggot, I get your broke back just for doupting.

Niggas roll with an army so you better bring tanks? Just from New York but me in jail you better bring stakes?

Nigga gettin fed up over bullshit weight up. You get wet up over bullshit streight up!

Dog for life bang often. streets is dangerous cats stay of em.

Niggas is ass then smell pussy, this nigga'll blast you really wanna push me (do you) you really wanna push me? I don't think so let that go

Warrior, soldier man and arms, get down scars on my hands and arms, hit town niggas that man is armed, sit down fuck around and plant a bomb

Warrior, soldier man and arms, get down scars on my hands and arms, hit town niggas that man is armed, sit down fuck around and plant a bomb

Nigga, cmon man real talk real talk real talk.
Yknow fuck out here with that fuckin bullshit [continues talkin
']
