But you claim to be the sickest em see
And I can't do shit but laugh at you like you're ticklin' me
Cause y'all niggas ain't tough, y'all fake
A lotta niggas is rough, but so is the surface of coffee cake
Get yo paws and get off my plate
Hook it off, tho can't toss the waves if yo corpse decay

Well I been ride or die, it's been fuck a hater
