

Blown

DNCE

I stare at you for so long
You watched me just as strong
It feels right bein' wrong
Never thought I'd get you, no
But here you are at my front door

The less you show, the more you get
It doesn't matter if you're feelin' it
Put down your phone, don't send that pic
They won't come back unless they're missin' it

But now that I got ya
It keeps gettin' hard to
I don't wanna watch, uh

My mind's blown
My mind's blown
Down to my toes
My mind's blown
(yeah, yeah, yeah)

I'll never let you go (never let you go!)
My sweet tooth is too strong, yeah
Your sugar is my home (sugar is my home!)
Never thought I'd get you, no
But here you are at my front door

The less you show, the more you get
It doesn't matter if you're feelin' it
Put down your phone, don't send that pic
They won't come back unless they're missin' it

But now that I got ya
It keeps gettin' hard to
I don't wanna watch, uh

My mind's blown
My mind's blown
Down to my toes
My mind's blown

I know you act like you don't want it
Girl, I know you need it
'Cause you be actin' like my woman
Every time you see me
My mind blown

I wanna pebble, I wanna marble
I wanna stone, I wanna rock, rock right now
I rock bass and she came to get down
She said, "In honesty, he wasn't fly when I met him"
She said, "You're separate, Kent, you're fly on another level"
I call it melody 'cause I gotta hit falsetto
She said, "No strings attached," so Gipetto
Had a couple side puppets just to make her feel special
I like girls that niggas lookin' on to comment
On my mama, Keke Palmer, I'm just bein' honest

She gon' play hard to get now that she know I want it
But I'm sure to break her off before I break a promise
Leavin' Memphis, on my way to Nash
Head while I'm drivin', almost made me crash
I hate smartmouth girls that fuck the vibe up
She jumped out the window and hit the Stacey Dash

But now that I got ya
It keeps gettin' hard to
I don't wanna watch, uh

My mind's blown
My mind's blown
Down to my toes
My mind's blown

(Oh, my mind's blown)
My mind's blown
