

# Good Day

DNCE

Today is gonna be a good day  
Don't care what anybody else say  
I don't need a fortune cookie to tell me the way I'm feeling  
Gonna be a good day  
A good day

Woke up, just woke up  
My girlfriend warned me that I drink too much  
Advil, good pill  
Head pounds like the bass on the party bus  
Memories, the memories, the Instagram's tellin' me everything  
But I regret nothing, oh

I feel like a million bucks in a toilet  
My head to my toes to my soul has been poisoned  
Living proof, that even when you're whole life has been destroyed, shit  
You still can enjoy it

Today is gonna be a good day  
Don't care what anybody else say  
I don't need a fortune cookie to tell me the way I'm feeling  
Gonna be a good day  
A good day

A good day  
(It's gonna be a what?)  
A good day...

Last night, last night  
Got in a fight with the karaoke mic  
Shots fired, of Fireball  
Can't tell what's the ceiling or what's the wall

I feel like a million bucks in a toilet  
my head to my toes to my soul has been poisoned  
Living proof, that even when you're whole life has been destroyed, shit  
You still can enjoy it

Today is gonna be a good day  
Don't care what anybody else say  
I don't need a fortune cookie to tell me the way I'm feeling  
Gonna be a good day  
A good day

Keep it going up, I'll keep it going, I'll keep it going...  
Keep it going, I'll keep it going, I'll keep it going...  
When the mornin' comes, when the morning' comes, when we're going...  
Keep it going, I'll keep it going, I'll keep it going...

Today is gonna be a good day  
Don't care what anybody else say  
I don't need a fortune cookie to tell me the way I'm feeling  
Gonna be a good day  
A good day
