

# Be Alright

## Do Or Die

Look in the heart in the ghetto, where we be shooed up  
From black losin' their life, now everytime we look up  
Finally pop him, throw away, just learn, they wanna book us  
Chicago political criminals like a crook Church  
To the Al Capone city we love so much  
But when we give our love way, now who the fuck gon' love us?  
We die young, and they don't care  
But the old folks still lookin' for they Medicare  
And it's somethin' on my mind I gotta tell ya  
My people who surronded me, they thought I was a failure  
But I, appear to be that nigga from the start  
Cause I'm down for my motherfuckin' niggas in my heart

Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for me  
Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for meee

Guns blastin', they after me  
Like an assassin, neighborhood not lastin'  
They burn it down, like fuck them bastards  
Police be watchin', from the other block and  
They crucial, put the car in neutral  
They try to school, people don't run jokes  
Different day, same shit, so I hustle with' my head up  
Get'cha paper, what'chu scared of?  
I ain't no joke so, put the jokes up in a choke hold  
My children need, don't stay so  
New shoes and some nice clothes  
I guess is what we fight fo'  
Children of the ghetto, reach for the stars  
Never think to me-sss, cause you know who you are

Why don't you hoold yo' head up  
Fooor meeee

This what I said to him

Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for me  
Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for meee

I was a hustla as a shorty, had to make it pop off  
Nigga gave me lip and he flinched, I knocked his socks off  
Fuck paddle, bubble the coke, and watch it rock off  
White man designed a blue-print, to clear the block off  
The snakes always fill up the plate, and niggas fed up  
We need to catch they ass in the yard, and shake they head up  
Ya sista always struggles with' babies, just keep ya head up  
And brothas in the pen doin' time, don't ever let up  
A motherfucka know what it is, to have to strive again  
That's why we hit the bricks and shoot shit, when this go bobblin'  
We tat the dead off in our skin, to keep the mob within'  
I never wanna have to go rob, or have to starve again

Said it's gonna beee, alriiight (Said it's gonna be, alright)

Only better, for me (Ric Jilla: Yeah)  
Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for meee

Baby it's gon' be alright  
Homie it's gon' be alright  
Hold yo head up  
Baby it's gon' be alright  
Homie it's gon' be alright

You only get "One Life to Live", and these ain't no soaps  
Ain't no joke, nowadays it ain't no hope  
An opportunity for you and me to follow our dreams  
But me and my team, finally plan a powerful scheme  
So we can try to make a way, that's why I take it "One Day"  
At a time, I write rhymes, and get out here on the grind  
Cause man, it's Do or Die for you and I, out here in the struggle  
It's gon' be alright, nigga be about yo hustle  
We almost, here now, we can't stop here  
We ain't gon' quit til' we get everything they got here  
Cause I know how it feel, to not to have your bread up  
But even though you fed up, my nigga keep yo head up

Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for me  
Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for meee

Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for me  
Said it's gonna beee, alriiight (Said it's gonna be, alright)  
Only better, for meee
