Ew weee them niggas down there tip Dam man they holding down there Who the fuck is that man lets walk down here and see who this mothafucka is I don't know who in the fuck it is who this nigga is down here Mothafucka telling niggas that make a scene Grab them straps man Hey homie (whats up man?) what you doing down here man? (hey man I'm working here) You ain't working nobody in this mothafucka man (this mans chief told me to) Hey fuck your chief nigga ain't no mothafucka gonna work right here Nigga lets go strap up then, what the fuck We gonna whoop your ass now nigga Tell us whip this mothafucka man Sip on some gin and act the fuckin' clown If chiefs ain't gonna get them bitches then watch how fast I shut em down Since half a block and they gonna said I'm shot Like they ain't seen a mothafucka standing out all night slanging rocks Oh I suppose to say and fuck the hoe But they don't know Beelow gonna take this glock and introduce it through They fucking door It's time for war well I ain't backing up See one more nigga serving rock is the last time cuz he's packing up A guerilla shit nigga where your heart is at this shit for real Serve a nickle or dime I'll mob on bitch you betta shoot to kill Or walk the fuck off alive shut down your spot Don't smell the fuck off your scent from blocks and blocks Money to be made and we gonna make it But how in the fuck would I let you and finally let no other mothafucka take So I'm taking packs like I was off the shit

Nigga he balled a fist the one on the right came with a swing so I can toss the bitch

Lesson 3 put on sheet so they can take em off

A real killa and although I know his dick is soft

17 shots cause family visited his fucking town

In the city of Chi whre mothafuckas born to clown

Go pound for pound and mess with clip lets go to war

Over money and power you got to know just what you dying for

I know this shit is just some ground

After yours and mines be here when we gone but for now you got to shut this mothafucka down

Now if the bitches try to clown Shut em down, shut em down And if they step on your toes Shut em down, shut em down, shut em down Now if them bitches try to clown (try to clown) Shut em down, shut em down And if they step on your toes Shut em down, shut em down, shut em down

Open your eyes to some real shit

Where nigga be packed with real clips and if you flip that clip betta leave your ass in danger

Increase my anger get more tied you betta close shot

Niggas at your set ready to kill your whole block
And this shit won't stop untill I give that last word
Coming at my birds you get what the fuck you deserve
An empty tip with no customers in your gang ways
Could avoid that shit and still be out here getting paid
You let a nigga from that joint run your fucking life
You tell em this it's you that got to pay the price
So save your life you got a betta chance to relocate
Make one mistake Ima send you to that resting place
Start having bad dreams waking up in the mad scenes
Fuck with this killa I don't think you know what it means
This shit I die for shit I make you cry for
He ain't such you shit but it's the same nigga you lied for
Aint this some shit took ya life with 4 rounds
Take over ya spot and now we got to shut em down

Some bitch be claiming sex Now striping em down with shit to do for niggas You can't be ture with a nigga so what you do for niggas is come clean And I'll be flipping through the bud and holsters Search all the working with all with working with no love and pop that ass w ith one slug, ugh It's getting outta hand cuz you fucking with some idle I'll have it all So that they ready to fall and put some names across the wall How do it feel when you fucking with those veterans They told the men shut down his body now we back again With about 10 plates to make you vomit in your own hands You and all men momma say stay outta the business of grown man The choice was yours and now your zero in 4 days Got nigga from the old days who kill in cold ways We giving em work and now they wanna bring it to the tape Mothafuck your name mothafuck your reputation Now what you in is alot of bullshit Got nigga running around like cheated with 9 millimeters and a full clip, ug

I grab the hitman by his mouth
I'll ride ya, dodge ya, and slide ya to your death with no regrets
I touch his neck his pulse is gone
I shuts him down, I shuts him down

Now if the bitches try to clown Shut em down, shut em down And if they step on your toes Shut em down, shut em down, shut em down Now if them bitches try to clown (try to clown) Shut em down, shut em down And if they step on your toes Shut em down, shut em down, shut em down Now if the bitches try to clown Shut em down, shut em down And if they step on your toes Shut em down, shut em down, shut em down Now if them bitches try to clown (try to clown) Shut em down, shut em down And if they step on your toes Shut em down, shut em down, shut em down Shut em down, shut em down, shut em down

Shut em down, shut em down, shut em down Shut em down, shut em down, shut em down Shut em down, shut em down, shut em down Shut em down
