Do It Right

Doc Walker

Usually, I have two left feet on the dance floor;
The last guy to steal a kiss on the front porch.
But this time, it's gunna be different;
This time, im gunna walk right up, take your hand, and tell you how I feel

I just wanna do it right,
'cause I don't wanna lose ya.
Say something tonight that might scare you away.
'cause I've been known to stumble,
And if you see me, fall flat on my face,
It's 'cause you take my breath away.
Ohh and if I'm gunna take that chance tonight,
Ohh I, just wanna do it right.

Usually, I watch you leave with your girlfriends.
Sit right here and drink my beer all alone again.
But this time, it's all about saying everything I never used to say;
This time, I'm not gunna let you walk away.

I just wanna do it right,
'cause I don't wanna lose ya.
Say something tonight that might scare you away.
'cause I've been known to stumble,
And if you see me, fall flat on my face,
It's 'cause you take my breath away.
Ohh and if I'm gunna take that chance tonight,
Ohh I, just wanna do it right.

I'm gunna take my time, have a tender touch,
And show you I'm a man who's not afraid to fall in love.
And baby when we turn out the light, I just wanna do it right.

'cause I've been known to stumble.
And if you see me, fall flat on my face,
It's 'cause you take my breath away.
Ohh and if I'm gunna take that chance tonight,
Ohh I, just wanna do it right
