

# Uncloudy Day

Doc Watson

They tell me of a place far beyond the skies  
They tell me of a home far away  
Yes they tell me of a land where no storm clouds rise  
Oh they tell me of an uncloudy day

Oh that land of cloudless days  
Oh the land of an uncloudy sky  
Yes they tell me of a place where no storm clouds rise  
Oh they tell me of an uncloudy day

They tell me of a land where my friends have gone  
And they tell me that my eyes shall behold  
Heaven's King as he sets on his snow-white throne  
In that city that is paved with gold

Oh the land of cloudless days  
Oh that land of an unclouded sky  
Yes they tell me of a place where no storm clouds rise  
Oh they tell me of an uncloudy day

They tell me that he smiles on his children there  
And his smiles drive their sorrows all away  
Where the tree of life in eternal bloom  
Sheds its fragrance through the uncloudy day

Oh that land of cloudless days  
Oh that land of an unclouded sky  
Yes they tell me of a place where no storm clouds rise  
Oh they tell me of an uncloudy day
