

# Never Stop

Dodgy

May you come home soon  
I need you to hold  
To keep me warm  
Through the self-inflicted cold  
Last time I saw you  
You left on a wave  
All I have now are letters  
And memories you gave

I'll never stop showing my love  
A love that never shown can be  
Like the tree its leaves turn gold  
Slowly silently

You've been gone so long  
Would I recognise  
If you passed me on the street  
How could I ever forget those eyes?  
I'm lonely but I'm sure  
You'll be missing me too  
I still dream about you often  
Do you dream of me too?

I'll never stop showing my love  
A love that never shown can be  
Like the tree its leaves turn gold  
Slowly silently

Well I hope to God you find  
Our future rich and true  
'Cause heading through this life  
Is so pointless without you  
And if you return  
We can set up a home  
And just having you near  
We'll never be alone

I'll never stop showing my love  
A love that never shown can be  
Like the tree its leaves turn gold  
Slowly silently  
I'll never stop showing my love  
A love that never shown can be  
Like the tree its leaves turn gold  
Slowly silently

Like the tree its leaves turn gold  
Slowly silently

I'll never stop showing my love  
I'll never stop showing my love
