

Prey For Drinking

Dodgy

I'm a traveller who's unwanted, I'm a dolphin in the
sea
I'm a woman on a tube train late at night, I'm a scenic
ex-scenery
I broaden my horizons, from when I went down with the
sun
I asked myself some questions, the outcomes were not
fun
I'm all the unwanted children, I'm a sparkling in
mummies eyes
I'm old and forgot a lot 'bout love, I'm the tears that
you cry
I'm the old and I'm the frail, I'm the young and ever
free
I'm a leading politician who sucks with a brand new
policy
I'm religious, prey for drinking
I'm a pope of all I've seen
Trying to survive to keep it alive
Welcome to the family !
I'm religious, prey for drinking
It's the pope we've always seen
I'm trying to survive working 9 to 5
Welcome to the family

I'm a traveller who's unwanted, I'm a dolphin in the
sea
I'm a woman on a tube-train late at night, I'm a scenic
ex-scenery
I'm the old and I'm the frail, I'm the young and ever
free
I'm a leading politician who sucks with a drinking
policy

I broaden my horizons, from when I went down with the
sun
I asked myself some questions, the outcomes were not
fun

Just good to be back, it's been so long
I've been away, I've been a foul
It took me some times to realise
That this place won't change
