

What Have I Done Wrong?

Dodgy

What have I done wrong to bring out the worst in you
Tell me what can I do to change your mind

What have I done wrong to bring out the worst in you
Tell me what can I do to change your mind

What have I done wrong to bring out the worst in you
Tell me what can I do to change your mind

What have I done wrong to bring out the worst in you
Tell me what can I do to change your mind

What have I done wrong to bring out the worst in you
Tell me what can I do to change your mind
