

# I'm Bisexual - A Coming Out Song

**dodie**

There is something I would like to tell you  
I figured it out some time ago  
I feel great, it makes me really happy  
And I love you so I'd love for you to know

Have you heard of LGBTQ+?  
Well I am the B  
I have a heart that could love plural genders  
Yes I'm Bi and I'm proud to be me

And just in case you were wondering  
Yes I'm pretty sure it's not a trend  
And though I am all for experiments  
I have experimented  
And I really really really really really really really like it  
So

Thanks for listening, now you know more about me  
Something I'm proud of  
I am part of something really beautiful  
Because love is love is love
