

# No Big Deal (I Love You)

dodie

In the morning  
We don't say it  
Share the water  
That's how we play it  
In the shower  
Yeah, we save it  
Share the water  
That's how we play it

I don't mind  
Say I care, you're the best  
Yeah, you hold me like  
It's already said  
I don't mind  
I will do this dance  
For the rest of my life  
For as long as you want

Not that I wouldn't say it first  
'Cause I would  
It's no big deal  
Look at me like that, hold your breath  
'Cause we're good  
It's no big deal

On a Sunday  
We're together  
"God, I love you"  
Says not one of us ever  
In the half light  
Where you tease me  
"God, I love you"  
Would be far too easy

Not that I wouldn't say it first  
'Cause I would  
It's no big deal  
Look at me like that, hold your breath  
'Cause we're good  
It's no big deal

It's no big deal

I'll say it here, I'll tell you soon  
Until then, I love you  
I'll say it here, I'll tell you soon  
Until then, I love you  
(I wouldn't say it first)  
I'll say it here, I'll tell you soon  
Until then, I love you  
(I wouldn't say it)  
I'll say it here, I'll tell you soon

Not that I wouldn't say it first  
'Cause I would  
It's no big deal  
Look at me like that, hold your breath

'Cause we're good  
It's no big deal
