

Party

dodie

Everyone has gone to a party
And I didn't want to go
I just want to stay in my bedroom
I'm antisocial and lazy I know

Yet another festive themed one
It would be the fourth this month
I think I'm just gonna say that I'm sorry
I can't make it please don't think that I'm blunt

It's just so cold outside
I'm fragile and tired
Oh, I just want a night to myself
And though my step count is pathetic
I'm just not feeling energetic
And you might think I'll be bummed that I didn't go
Try tell me while I'm in the bath and drinking alone

Everyone has gone to a party
And I didn't want to go
I'm just gonna eat and watch netflix
I'm antisocial and lazy I know

I can't tell if I am self caring
Or is this part of an issue that's deep
But I'm gonna have a much better time tonight
If I stay in the warm and get some sleep

I don't wanna go to a party
I don't wanna go to a party
I don't wanna go to a party
I don't wanna go to a party
