Doe Boy

Freebandz  
Forever  
Forever Freebandz  
Yeah  
I got love for my niggas

Cause I've been hangin' with them jackals, my lil dog caught a M  
Doe Boy got out on a robbery, he came home to a M  
Play your role then get exposed then  
Shit, I might kidnap all my old friends  
It's a lot of animosity I can't hold in  
I get Pooh Gutta to kick your door in

I ain't gotta rob no more bitch, I came home to a M  
Got this big ass.40 on me, gotta walk with a limp  
Nigga went against the gang so we had to send a hit  
Police caught me, chased me down, bitch I was tryna' hit the fence  
Ridin' 'round with the Ruger, I'm a real pistol user  
We ain't fuckin' with no rapper, I might rob ya' with Young Scooter  
I'm a savage, nigga, I'm your favorite rapper's favorite shooter  
He ain't gon' have no fuckin' future, let a nigga play with Future  
Once my nigga down for murder, free my dogs out the pen  
If I feel my nigga fakin', fuck around and rob my friend  
Shooters come shoot up your block, then they slidin' through again  
I can't go out like no ho I took my time on the chin

Cause I've been hangin' with them jackals, my lil dog caught a M  
Doe Boy got out on a robbery, he came home to a M  
Play your role then get exposed then  
Shit, I might kidnap all my old friends  
It's a lot of animosity I can't hold in  
I get Pooh Gutta to kick your door in

Big body surfin' in a benzo  
All these diamonds on me lookin' like a disco  
New channel and I ran it up on ten toe  
Thirty two? cashed out for my kinfolk  
That's a third breed stallion?,  
Crocodile alligator, I'ma coat one  
It seem like everyday my nigga catchin' bodies  
If Doe Boy said fuck it then it's homicidal

Cause I've been hangin' with them jackals, my lil dog caught a M  
Doe Boy got out on a robbery, he came home to a M  
Play your role then get exposed then  
Shit, I might kidnap all my old friends  
It's a lot of animosity I can't hold in  
I get Pooh Gutta to kick your door in

Shit, we ain't never gon' get back to how it was  
See we be posted on the backstreet with the drugs  
We put? on your car, just give it up  
I trapped it out and stacked it up then bought the clubs  
You gang gang, you made men, you can't be touched  
This money will make you feel untouchable  
And when it rain I feel untouchable  
If you claim what I claim then you untouchable
