

Mission Impossible

Doe Boy

Slatt, slatt, let's go (Oh, really?)
(Red Dead, I'm so fuckin' bumpin', bruh)

Let's go, told Beezy to give me the switch (Let's go)
This your first mission, nigga, better not flinch (No bap)
Put your mask on, this the plan, nigga, know we finna get rich (Walk 'em down)

I heard he got racks

I heard he got niggas that's servin' and flippin' the packs (Let's go)
Gotta watch your back

Can't run from slatt, on slime we takin' them packs (Let's go, uh)

You can run and hide 'til you die (Uh)

We puttin' shit in the sky (Walk him down)

Smokin' it all to the fire

Pull a D.O.A., nobody alive (Slatt)

When we slide, nobody survive, we whackin' 'em

Pull up and hit all your guys

Me and Doe takin' turns

I see him pick up the chopper and I block him

And he shoot all the opps, make them lil' niggas burn (Uh, you ain't know?)

Niggas play in the club, then we stomp 'em

Got a shot with a double-D, rest in peace Double D

I told Doe Beezy to pull up and hop out, woah (Oh, really? Slatt, nigga)

FBG, nigga

The fuckin' G stand for gangsta, nigga

It's a new operation in town, they know how the fuck we comin', nigga

Everybody stand down, nigga, blrrd, nigga, big blrrdin'

Man, stop playin' with us

Them niggas scared of us

I keep tellin' y'all that (Oh, really?)

Nigga, we ain't dead, walk down my block (Walk)

Walk his ass down with a porn star

Shot after shot, bullets comin' like non-stop (Grrah)

I really fuck rappers' thots

And never forget, for that I was slidin' on opps

Like ten years ago, the first nigga I popped him

It's crazy how much the time went by (True story)

Ridin' with Ks, ain't nobody safe

Don't care if you ridin' with moms or pops (They think I'm crazy)

I let it spray, nigga

Don't care if you ridin' with bae or slidin' with God (You think I'm playin')

Ridin' with .9s, run with the slimes

Walk his ass down and run with my times

He said it's beef, that nigga sweet

I'm 'bout to creep on his ass with this iron (Oh, really?)

I laid that fuck nigga flat like a ironin' board

You blowin' that money, the fuck do you got it for?

I throw them racks on your head like a lord (Freebandz)

I do you just like them hoes

We hit his trap if you scrapin' the bowl (Skrrt, skrrt, skrrt, skrrt)

I been a gangster since one minute old, uh (Oh, really?)

Let's go, told Beezy to gimme the switch (Let's go)

This your first mission, nigga, better not flinch (No doubt)

Put your mask on, this the plan, nigga, know we finna get rich (Uh)
I heard he got racks
I heard he got niggas that's servin' and flippin' the packs (I heard he got
racks)
Gotta watch your back, can't run from slatt, uh
Big slime, nigga
Walk 'em down (Big slatt), uh (Fuck what they're talkin' about, the biggest,
ho)
The biggest blrrd, nigga, fuck you thought?
