The Wrestler

Does It Offend You, Yeah?

Tonight we have a chance to say,
'Yeah, you're right'
We're too extreme,
We're too wild,
We're too out of control.
We're too full of our own shit,
But we have a chance to say,
'Hey, fuck you, you're wrong',
And 'Fuck you, we're right'.
Because you have all made it to the dance,
And, believe me, this is the dance.
Fuck you, you're wrong,
Fuck you, we're right.
Tonight we have a chance to say,
'Yeah, you're right'
We're too extreme,
We're too wild,
We're too out of control.
We're too full of our own shit,
But we have a chance to say,
'Hey, fuck you, you're wrong',
And 'Fuck you, we're right'.
Because you have all made it to the dance,
And, believe me, this is the dance.
Fuck you.
Fuck you, you're wrong,
Fuck you, we're right.
Because you have all made it to the dance,
And, believe me, this is the dance.
