

Antiquity's Small Rewards

Dog Fashion Disco

Well, the sky is black
And everyone's on fire
Neon lights and shallow graves
Are all I see for miles

Waiting in utopia
To liberate the living dead
Palm trees and antiquity
cool-aid and strychnine

Sing with me in harmony
In evidence of your liturgy

Well the clock is dead
And everyone's on fire
Neon lights and shallow graves
Are all I see for miles

Waiting in utopia
To liberate the living dead
Palm trees and antiquity
cool-aid and strychnine

Sing with me in harmony
In evidence of your liturgy

Sing with me in harmony
In evidence of your liturgy

I am your god
And I've never been
So in love

So spread your legs
Close your eyes
And say a prayer for me

Blow a kiss and make a wish
You're going to heaven
We're a happy family
And we belong together

Blow a kiss and make a wish
You're going to heaven
We're a happy family
And we'll be going to heaven

Sing with me in harmony
In evidence of your liturgy

I am your god
And I've never been
So in love

So spread your legs
Close your eyes
And say a prayer for me
