

Bobcat Club

Dog Slaughter Beach

Long end of the bar two lovers
Set in a yellow light
Long end of the bar two lovers
Don't make a sound tonight

Why don't we go to the Bobcat Club
Why don't we go tonight

He got a Mexican beer
She reads the gambling sign
He got a Mexican beer, beer, beers
She got Australian wine

Why don't we go to the Bobcat Club
Why don't we go tonight

They watch the big wheel spinnin'
There on the edge of town
They watch the big wheel spinnin'
Nobody else around

Why don't we go to the Bobcat Club
Why don't we go today
They say why don't we go to the Bobcat Club
Hey babe, lead the way

Long end of the bar two lovers
Set in a yellow light
Long end of the bar two lovers
Don't make a sound tonight
They don't make a sound tonight
They don't make a sound tonight
