

Remember this girls, none of you can be first, but all of you can be next  
Whoa, whoa

Ah, uh, yeah  
Uh, wow, uh, yeah  
Uh, wow, uh, yeah  
It's like takin' candy from a baby  
Uh, wow, uh, yeah  
Uh, high, uh, live  
Uh, yeah, uh, wow  
It's like takin' candy from a- (Ride a, ride a)

Ride a coattail, this isn't my fourth meal  
Dishes on my ass, still, I'm thicker than some oatmeal  
Glass houses, I don't really like to keep my stones there  
Oh, well, I'll buy another property for four mil'  
Doorman said that you gon' have to leave your phones there  
On a boat, yeah (Boat, yeah), it's really no fair (No fair)  
The only problem that I have, and I'll be so real  
I hit the stage and lose the crystals on my toenails (Yeah)  
Make the ho kneel, she kill it like an O'Neil  
Makin' more bills till I copped the mobile  
Can't drive 'cause I really don't need to  
Got some professionals, they're really nice people

Ah, uh, yeah  
Uh, wow, uh, yeah  
Uh, wow, uh, yeah  
Uh, wow, uh, yeah  
It's like takin' candy from a baby  
Uh, wow, uh, yeah (Mm, yeah, huh)  
Uh, wow, uh, yeah  
Uh, wow, uh, wow (Said)  
It's like takin' candy from a baby

So easy, so cheesy, so fresh  
So queasy, so nauseous, so sick  
Is it coke? Is it crack? Is it meth? (Is it?)  
What the fuck do she put in them hits?  
I'm the shit, you a real piece of shit  
I am needed, you a real needy bitch  
I'm competing, you are incompetent  
You are fleeting 'cause you can't copy this  
Copy this (Copy this), copy that (Copy that)  
Every bitch that is here, copycat (Rawr)  
Copy the greats, that's my number one strategy  
But beware that you can't copy stats

Ah, uh, yeah  
Uh, wow, uh, yeah  
Uh, wow, uh, yeah  
Uh, wow, uh, yeah  
It's like takin' candy from a baby  
Uh, wow, uh, yeah  
Uh, high, uh, live  
Uh, yeah, uh, wow  
It's like takin' candy from a baby
