Yams, I'm yummy  
If I see ya man I'm bussin', bussin', bussin'  
Cause I'm bruh, uh  
Bustin', bustin', bussin' off

Poppin' off my blouse  
Poppin' off my blouse  
Jeans just ripped  
Bottons poppin' off my blouse  
Poppin' off my blouse

The booty said don't trust me  
She just got some money  
She just got her Tummy Tuck  
Look mom a money flood  
Only thing that's ugly  
Is them hoes who talk funny  
I ain't really said nothing  
I just show 'em how it's done-y  
Mix my whip cream and caramel  
With that syrup and that honey  
That big thing go slam  
Said this bitch need no heels  
Got him licking on his lips  
I'm lookin' like Hickory Smoke Ham  
With my thick thighs and no Tummy  
Shake that maker of that money

Look I'm, I'm, I'm  
Bruh, ah  
Busty, must be genes  
Man, I'm lucky  
Collard greens  
Yams, I'm yummy

Cause I'm bruh, uh  
Bustin', bustin', bussin' off

I can't take my dress off cause my titties still big, uh  
She just wanna scissor  
Tongue out like a lizard  
I just made that nigga disappear  
I'm like a wizard  
I just got my hair done and I'm feeling like Sza  
I ain't won the lotto, I am just a winner  
If she is a snack then I'm a candle lit dinner  
Think I got him shoooken watch him fidget like a spinner

I been gettin' thinner and thinner and thicker
