

Come Back

Doja Cat

Changin' the way that you act to me (Come back)
Can't switch the tone while I'm 'bout to leave (Come back)
I worked it down till the atrophy
You missed the mark and her majesty
Beggin' me, "Baby, come back to me"
Beggin' me, "Baby, come back to me"

Come back to me, come back
Come back to me, come back
Come back to me, come back
Come back to me, come back
Come back to me, come back
Come back to me, come back
Come back to me, come back
Come back to me, come—

It turned you on when I told you off
I'm pleased I ain't the bitch you was hopin' for
If we keep this up, and you hold my doors
And you take my bag, and you hold me more
I don't think that would make up for the hope I lost
You don't think, that's why I need you to cope some more
C-c-cope and get your coat and get off my floor
Baby, you're overselling to who you know you lost
It's an open sore, gotta seal the deal
Gotta heal the wound, gotta be for real
Realize we learned a lesson from lovin' on one another
Nothin' shows more strength than gunnin' for ex-lovers
Maybe we're best friends, maybe we're goin' under
Maybe the world's endin', but baby, I still love ya
Gone till November, gone till you wanna
I can't be your woman, but trust you'll find someone

Changin' the way that you act to me (Come back)
Can't switch the tone while I'm 'bout to leave (Come back)
I worked it down till the atrophy
You missed the mark and her majesty
Beggin' me, "Baby, come back to me"
Beggin' me, "Baby, come back to me"

(Come back) Come back to me, come back
(Come back) Come back to me, come back
(Come back) Come back to me, come back
(Come back) Come back to me, come back
(Come back) Come back to me, come back
(Come back) Come back to me, come back
(Come back) Come back to me, come back
(Come back) Come back to me, come—

Changin' the way that you act to me
Can't switch the tone while I'm 'bout to leave (Come back to me, come back)
I worked it down till the atrophy (Come back to me, come back)
You missed the mark and her majesty (Come back to me, come back)
Beggin' me, "Baby, come back to me" (Come back to me)
Beggin' me, "Baby, come back to me" (Come back to me)

Come back, come back

Come back, come back
Come back, come back
Come back, come back
Come back, come back
Come back, come back
Come back, come back
Come back, baby, don't you come back
