Doja Cat

Boy I got a crush on you-oooh  
It ain't really much, I just wanna touch  
I don't want no love from you-ohh  
Hey, never said in love  
You might not be cut out for it  
I just got a crush

Do you, do you, do you got a crush on me?  
'Cause I got one on you, ooh  
Do you, do you, do you got a crush on me?  
'Cause I got one on you, ooh

You think you're in love, but you're not  
Wanna cuff, but you won't  
That's lust, better stop, mm  
You bitter-faced, bet it does get you off  
How a crush gets you off  
Tryna fuss, let you ride, mm  
I'm hypnotized, that thang so big  
It's true to size, you stupid fly  
You cupid fly, that rang so big  
Not too surprised, known for the lies  
No puppet, I'ma say fuck it  
Nigga got a love bug, give me, I'm buggin'  
Take ya time now baby don't rush it  
If we vibe then, baby don't duck it

Boy I got a crush on you-oooh  
It ain't really much, I just wanna touch

Heartbeat rase like a relay  
Bust it in your mouth just for keepsake

If I'm Kim then you Ray, that's a remake  
Throw that money on that ass, it's a cheesecake  
Hot candle with the wax, that's a B-day  
They all wanna ride on it, that's a freeway

He just wanna pop that Maraschino  
Pick that nigga up like cappuccino  
I feel drunk in love like bathtub Clicquot  
Told that nigga bet like he at a casino  
Now he know

Boy I got a crush on you-oooh  
It ain't really much, I just wanna touch  
I don't want no love from you-oooh
