How much nothing can a dindu do  
If a dindu, dindu nothin'  
How much money could a dindu make  
If a dindu did all the things that you wish to  
How much money could a dindu make  
How much money could a dindu make  
If a dindu did all the things that you wish to  
How much nothing can a dindu do  
If a dindu, dindu nothin'  
How much money could a dindu make  
If a dindu did all the things that you wish to

I'm a degenerate, smoke all your cannabis  
You cannot handle it, wave your appendages  
Tweetin' and Instagram - camera flick, bitch you was edited  
Swear you'll remember this, swear you'll be camera-less  
Fuck taking pictures, what's wrong with the vibe?  
Might as well dead this shit, I feel alive  
I feel like a part of the life  
I feel like I'm starting to die  
I feel like I popped in the sky  
Get in my space, ha, you'll catch a rocket and ride  
I spy with my little eye a target  
You mine, all of this mine  
All of the shit that I buy, all of the bitches that cry  
See 'em from up on the stage, see 'em from up in this cage  
See 'em look down on me then I look down on they ways  
Mirrorin' you  
Look at myself, feelin' it too  
Drunker than hell, I'm appearing in twos  
Drunker than hell, I'm appearing in yours

How much nothing can a dindu, do  
If a dindu, dindu nothin'  
How much money could a dindu make  
If a dindu did all the things that you wish to  
How much nothing can a dindu do  
If a dindu, dindu nothin'  
How much money could a dindu make  
If a dindu did all the things that you wish to

How much nothing could a dindu, do  
If a dindu, dindu nothin'  
Sent you muffin like a goddamn knight  
At my bake, he chef, I cook, fuck sellin'  
How much, how much money could a dindu make  
If a dindu, did all the things that you wish to  
Shit do, I don't need a band on my wrist  
Bitch niggas know about it with a pound to the fist  
To the head chief, take it to the head chief  
If you're making this bread chief  
Take it to the head chief  
Take it to the head chief  
And I'm up and coming, babe, please say something like  
How much nothing can a dindu, do  
If a dindu, didn't do nothin', nothin', nothin', nothin'

How much nothing can a dindu, do  
If a dindu, dindu nothin'  
How much money could a dindu make  
If a dindu did all the things that you wish to  
How much nothing can a dindu do  
If a dindu, dindu nothin'  
How much money could a dindu make  
If a dindu did all the things that you wish to

Dindu, dindu, aye  
How much money can a dindu make  
If I dindu did all the thing that you wish to, hey  
How much money can a dindu make  
If a dindu, dindu nothin', hey  
How much money could a dindu make  
If a dindu did all the things that you wish to
