

# Happy

Doja Cat

Are you happy? (Happy, happy)  
Who would get mad at you doing what you wanna do?  
Then be happy (Happy, happy)  
I just couldn't get mad at you, whoever you're callin' "boo"  
As long as you're happy too

Brise, mon cœur, encore, ce soir  
Brise, mon cœur, encore, ce soir  
Brise, mon cœur, encore, ce soir  
Brise, mon cœur, encore, ce soir

If I knew just what you wanted  
Would it stop you? Would it change me?  
Does the key go to your locket?  
Is it natural? Is it crazy?  
I found you in the Westin (In the Westin)  
With a statue of a lady  
She looked just like a best friend (Best friend)  
Was it friendship you were chasing?

Brise, mon cœur, encore, ce soirée

Are you happy? (Happy, happy)  
Who would get mad at you doing what you wanna do?  
Then be happy (Happy, happy)  
I just couldn't get mad at you, whoever you're callin' "boo"  
As long as you're happy too

Brise, mon cœur, encore, ce soir  
Brise, mon cœur, encore, ce soir  
Brise, mon cœur, encore, ce soir  
Brise, mon cœur, encore, ce soir

It's sweet, dancing with you in the nude is my niche  
Tell me you don't tell her what you told me  
Can't be right the way I'm grittin' my teeth  
Got me sittin' at home waiting to hear the phone ring  
We got roots and baby they could run deep  
But you cutting me off I feel like ripping this tree  
Hittin' a wall I fell a hundred feet deep  
All the bitches involved should know that pimpin' ain't cheap  
TLC, I saw, I creped  
She's in our bed, I bought the sheets  
Pour ça, non merci, j'ai vécu ma vie  
Don't fall asleep, Adieu, bonne nuit

Brise, mon cœur, encore, ce soirée

Are you happy? (Happy, happy)  
Who would get mad at you doing what you wanna do?  
Then be happy (Happy, happy)  
I just couldn't get mad at you, whoever you're callin' "boo"  
As long as you're happy too  
As long as you're happy too

Brise, mon cœur, encore, ce soir (I do)  
Brise, mon cœur, encore, ce soir

Brise, mon cœur, encore, ce soir
