

Run

Doja Cat

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say she took that dick

Oh why
Swear its so good can't lie
Tell me why you change my mind
Every time
Got me running back to you

Running back, running back
(Run, run, run, run, everybody move run)
To you
Got me running back to you, running back
Running back to you
(Run, run, run, run, everybody move run)

I been and I been and I been
I been runnin, runnin, runnin, runnin, runnin cuz that dick so good
It something it look like I'm chopping onion on that dick and I was
Frontin talking mess like I'ma leave you but I don't
I wanna see you but I don't, was gon delete you out my phone
Wonder if I took off would you ever hit me back?
If I came up outta nowhere
Would you ever cut me slack?
Hit em with the kitty kitty kitty kitty cat
He gimme really really really really biggie bat

I wanna let you know
You got me on my toes
You got me on all fours
Fuck do you do that for?

Running back, running back
(Run, run, run, run, everybody move run)
To you
Got me running back to you, running back
Running back to you
(Run, run, run, run, everybody move run)

She's a very freaky girl
Don't bring her to mama
First you get her name
And her name is Doja
And she got that killer kitty, put you in a coma
Put the whip in park
Givim brain in the rover
We just had a fight but he still comin over
Makeup sex pop cherry like a cola
Got me feeling loca
Can't stop throwing him the chocha
Knockin on his door like a witness of jehova

I wanna let you know
You got me on my toes
You got me on all fours

Fuck do you do that for?

Oh why
Swear its so good can't lie
Tell me why you change my mind
Every time
Got me running back to you

Running back, running back
(Run, run, run, run, everybody move run)
To you
Got me running back to you, running back
Running back to you
(Run, run, run, run, everybody move run)

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say she took that dick

I wanna let you know
You got me on my toes
You got me on all fours
Fuck do you do that for?

(Let you know! On my toes! On all fours! Do that for?)

I wanna let you know
You got me on my toes
You got me on all fours
Fuck do you do that for?

Got me running back to you
