

Why Why

Doja Cat

Baby, when I go wyl' like that
When I ain't shy like that
Steppin' out and look fly like that
He ain't touchin' on it
Make him wanna go cry like that
When I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
And I know you hate it when I tease you, baby
See when I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
Lemme hear you tellin' me, "I need you, baby"
Said, when I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"

Hit me when you're frustrated
You ain't picky and get ignorant 'round all my ladies
I could come fix you, but you broke-headed
You want Whitney, you want Britney, Jennifer and Halle
(Baby)
They ain't been cold like me
Put them bitches in my old winter coat
That is so last week
Them other niggas, they been waitin' for it
They gon' hold my seat
Kryptonite when I throwin' ass, 'cause I know your weakness
I can't forget how it used to be
In your thoughts, livin' good with me
And it feel so right, when I make you scream, "please"

Baby, when I go wyl' like that
When I ain't shy like that
Steppin' out and look fly like that
He ain't touchin' on it
Make him wanna go cry like that
When I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
And I know you hate it when I tease you, baby
See when I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
Lemme hear you tellin' me, "I need you, baby"
Said, when I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"

I know I'm not your type like that
But I'm gon' still try
And her pretty face, ass fat, waist snatch
He ain't got no size
Her killer crocodile fifty stacks
You'on even know why, you'on know why
Put this all on me
Make you smile just to help you show your all white teeth
Bust down with a purple dial, this a flawless AP
She say, "You can have any girl around this time, why me?"
'Cause I can see loyalty and ambition, the style like me
Arch her back into position, I'ma try and dig deep
I gave her some racks toward her business
She don't need a degree

We flew a genie-nie-nie to the Philippines, our backyard a sea
She make Wunna ease, we infinity, ion never wanna leave

Baby, when I go wyl' like that
When I ain't shy like that
Steppin' out and look fly like that
He ain't touchin' on it
Make him wanna go cry like that
When I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
And I know you hate it when I tease you, baby
See when I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
Lemme hear you tellin' me, "I need you, baby"
See when I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
When I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
Said, when I wine, wine, wine, wine
He go, "Why, why, oh-why, oh-why-oh?"
