

## Georgia Nights

Dolla

A rainy night in georgia  
A rainy night in georgia  
Oh it's a rainy night in georgia  
All I could feel is rain all over the world

I feel the rain on my window pain  
Waking up in cold sweats  
Had some dreams of going out with a vein  
Shit my poppa died by the gun  
I died by the gun  
And if I ever had a son he probably die by the same  
I pray to god I don't curse my seed  
And my baby don't come out with some kind of desease  
Do to my bad needs  
Every breath I breathe and every step I take  
The clock ticking bring me closer to faith  
Poppa died at 25 so he must of been great  
They say the good die young I must be on my way  
And if todays that day then I'm a died like a man  
With a smile on my face knowing I never ran  
Tell my girl and my niggas I did all I can  
Came up with a plan and times got side track  
Enjoy being young and rich and yew can don't get black  
Tell them crackers kiss my ass I was pride to be black

A rainy night in georgia  
A rainy night in georgia  
Oh it's a rainy night in georgia  
All I could feel is rain all over the world

Have a party at my funeral celebrating the life  
When I die a baby was born that very same night  
And as I took it's first breath I took my last  
Life flash before my eyes of what I did in the past  
You know my first piece of ass the jokes and the laughs  
And the silly shit we did for the love of the cash  
Get dough, fist fights wild party and shit  
All the cars a nigga drove you know phari n shit  
Then I felt the warm feeling from my head to my feet  
I could'ntmove tried talking but I could'nteven speak  
Heard a familair voice "son come here to me"  
I tried viewing who it was but I could'ntquiet see  
But I know I feel comfortble sold that piece  
For the first time ever a nigga felt stress free  
If I could rewind the time do it all the same  
I'm looking down over georgia on the stars and the rain
