

Almost Too Early For Christmas

Dolly Parton

It's almost too early for Christmas
Too soon to be singing this song
There's still Halloween decorations
And haters will say that it's wrong
Let's turn on the lights for Mariah
Tell Rudolph to shine up his nose
It's almost too early for Christmas
But why don't we see how it goes?
Why don't we see how it goes?

So jingle bells
And deck the halls
I'm coming home
I miss you all
I'm giving thanks
For Santa's sleigh
So grab your deer
And make it rain

Even in the autumn weather
We'll be wearing ugly sweaters
So string up the lights (string up the lights)
This time of night (this time of night)
We're having the time of lives (the time of our lives)

It's almost too early for Christmas
Too soon to be singing this song
There's still Halloween decorations
And haters will say that it's wrong
Let's turn on the lights for Mariah
Tell Rudolph to shine up his nose
It's almost too early for Christmas
But why don't we see how it goes?

Window displays all full of snow
Candy cane clouds are comin'
Go... put on your sugar coat
It's...

Almost too early for Christmas (almost too early)
Too soon to be singing this song (singing this song)
There's still Halloween decorations (too early)
And haters will say that it's wrong
Let's turn on the lights for Mariah
Tell Rudolph to shine up his nose
It's almost too early for Christmas
But why don't we see how it goes?

Even in the autumn weather
We'll be wearing ugly sweaters
Can't stop us now (can't stop us now)
It's all around
It's never too early for Christmas
