

# Bygones

Dolly Parton

Can you forgive me?  
It's true I've made mistakes but so have you  
It's just so unfair

The way you hurt me  
Cuts so deep, I don't think I can heal  
You just leave me bare

When you break a trust, it's painful  
To find the one you love's no angel  
When respect is gone, the biggest part of love goes too

I'm sorry, so sorry  
How long must you punish me?  
Why can't we just move on?  
Let bygones be bygones  
But you never will

What's the difference  
If this time I'm the one that did the wrong?  
Should it matter?

Makin' reference to promises made and broken, you just left  
Left me cold as stone

When you break a trust, it's painful  
To find the one you love's no angel  
When respect is gone, the biggest part of love goes too

I'm sorry, so sorry  
How long must you punish me?  
Why can't we just move on?  
Let bygones be bygones  
But you never will

I'm sorry, so sorry  
Full of regret  
Forgive and forget  
I'm sorry, so sorry  
You haven't yet  
But tell me  
Where do we go from here?

I'm sorry, so sorry  
How long must you punish me?  
Why can't we just move on?  
Let bygones be bygones  
By God, I'm gone

I'm sorry, so sorry  
Truly, I am  
How long must you punish me?  
Just put it down

Why can't we just move on  
Just turn it around  
Let bygones be bygones

But you never  
You never  
Could you ever?  
Could you ever?  
Would you ever?  
Would you ever?  
No, you never will
