

# Christmas On The Square

Dolly Parton

Christmas on the square  
Everybody's there  
Laughin', singin', bells a'ringin'  
Snow is in the air  
Carolers sing and gifts exchanged  
Lovers walk in pairs  
Trees a'glow and mistletoe  
It's Christmas on the square

Christmas on the square  
Catch me if you dare  
Runnin' frantic, playful antics  
Jokesters everywhere  
Streets a'light with snowball fights  
You better duck, beware  
Friends and neighbors cuttin' capers  
Christmas on the square

Together as each year  
We joyfully meet here  
To celebrate family and friends  
And we all stick together  
No matter whatever  
It's a wonderful town we live in (Howdy, friends!)

Christmas on the square  
Nothing ordinare  
It's a holly, Dolly, Christmas folly  
I had to get that in there (Why not?)  
Coats and hats and such as that  
And thermal underwear (Underwear)  
Scarves and sweaters  
Fur and feathers  
Christmas on the square

There's turkey and stuffin'  
And cranberry muffins  
Potatoes and gravy and peas (Yummy)  
Cakes, ham and biscuits  
However you fix it  
You're in for a fabulous feast (Let's eat!)

Christmas on the square  
Everybody's there  
Sleighs and skates and chestnuts baked  
Everybody shares (Everybody)  
Dancing mimes and such good times  
I hope to see you there (See you there)  
So come on down, enjoy our town  
Christmas on the square

Oh, what fun for everyone  
Christmas on the square (Hey, fiddler)  
Christmas on the square (Banjo, banjo)  
Christmas on the square  
Celebrate, let's celebrate  
Christmas on the square

Come on down, yee-haw!
