

# Don't Think Twice

Dolly Parton

Ain't no use to sit and wonder why, babe  
It don't matter anyhow  
Ain't no use to sit and wonder why, babe  
If you don't know by now

When your roof's too close at the break of dawn  
Look out your window and I'll be gone  
You are the reason I'm traveling home  
Don't think twice, it's alright

Ain't no use in turning on your light, babe  
That night, I never know  
Ain't no use in turning on your light, babe  
I'm on the dark side of the road

Still I wish there was something you would do or say  
To try and make me want to change my mind and stay  
We never did too much talking anyway  
Don't think twice, it's alright, no  
Don't think twice  
Don't think twice, it's alright

But there ain't no use in calling out my name, babe  
Like you never did before  
And there ain't no use in calling out my name, babe  
Cause I can't hear you anymore

Well, I'm thinking and I wondering all the way down the road  
I once loved a man but that love grew old  
I gave him my heart, but he wanted my soul  
Don't think twice, it's alright

I'm walking down that lone lonesome road, babe  
Where I'm bound well I can tell  
But goodbye is to get away, babe  
So I'm gonna say farewell

But I ain't saying you treated me unkind  
You could have loved me better, but no, I don't mind  
But you just kinda sort of wasted my precious time  
Don't think twice, it's alright, no  
Don't think twice  
Don't think twice, it's alright  
Don't think twice  
Don't think twice, it's alright
