

Either Or

Dolly Parton

You said you loved me
Couldn't bear to live without me
Yeah, baby, that's true
I never gave you a cause to doubt me
Always knew I could depend on you
I ain't fallin' for your lies no more
That sounds like a heartache for sure

I won't take your cheating ways another minute
Well, it's only been a time or two
This love is done, if you ain't completely in it
But baby, there's nobody like you
You either stay, or either you go
It's an either-or situation

Either shape it up or pack it up and go now
Oh, baby, you know that I'm tryin'
Turn about's fair play, thought you ought to know now
Come on baby, please don't eat me alive

I'm giving you fair warning baby, and I mean what I say
It's either-or, and that's the ultimatum
Now baby, let's just start all over again
Mistakes were made, and you're the one that made 'em
Sometimes you gotta do some losin' to win
It's me or them, you'll take your choice
It's an either-or situation

You know I love you so let's try to make it better
Whatever we gotta do
You make the rules babe, I'll follow to the letter
Come on, take me to school

It's either-or
Take me to school
That's the ultimatum
That's how it's gonna be, huh? Come on
Mistakes were made, hey, I ain't the one that made 'em
I ain't gonna do it no more baby, I promise

I won't take your cheatin' ways another minute
It's only been a time or two
This love is done if we ain't completely in it
Now baby, I'm all in it for you
You either stay, or either you go
I could never leave you
It's me or them, baby, you make the choice
This is an either-or
Either-or, either-or, woo

Na-na-na, na-na-na-na-na-na-na-na
Please give me one more chance
Na-na-na, na-na-na-na-na-na-na-na
I'll give you one last chance
I think I deserve it
Na-na-na, na-na-na-na-na-na-na-na
It's your choice, it's either-or, either-or

And this time, I really mean it
I love you baby
