

## Gonna Hurry (As Slow As I Can)

Dolly Parton

You found someone else  
And you're sending, sending me away  
Oh, I hate so badly but I know  
I know I can't stay  
You tell me that I must go  
I'll try to understand  
Well, I'm gonna leave you  
And I'm gonna hurry just  
Just as slow as I can  
Well, I'm gonna cry, cry myself  
Cry myself to death  
Just crying, crying over you  
Well I, I feel sorry, so sorry for myself  
But I, I've got to leave, I know it's true  
Oh, oh the little ring you gave to me  
I took it, took it from my hands  
'Cause I'm gonna leave you  
And I'm gonna hurry just  
Just as slow as I can
