

## He Would Know

Dolly Parton

In my mind I've made love to you often but only in my mind can  
it be so  
Cause there's someone at home that's countin' on me  
And if I did I'm sure that he would know  
Yes he would know yes he could tell  
For he has loved me long enough to know me very well  
And if I lie he sees it in my eyes I know my guilt would show a  
nd he would know  
But I must admit you're someone very special and it would be so  
easy to let go  
Making love to you could be so easy but if I did I'm sure that  
he would know  
Yes he would know...  
My conscience just won't let me make love to you  
I know it would be sweet but I just can't  
When I go home to him I must be able to look him in the eyes an  
d say I ain't  
Cause he would know...
