

# I Really Don't Want to Know

Dolly Parton

How many arms have held you  
And hated to let you go  
How many, how many I wonder  
But I really don't want to know

And how many lips have kissed you  
And set your soul aglow  
How many, how many I wonder  
But I really don't want to know

So always make me wonder  
And always make me guess  
Even if I ask you  
Darlin', don't confess

No you just let that remain your secret  
'Cause darlin' I do love you so  
How many, how many I wonder  
But I really don't want to know

How many, how many I wonder  
But I really don't want to know
