## Just When I Needed You Most

**Dolly Parton** 

You packed in the morning I stared out the window And I struggled for something to say You left in the rain without closing the door I didn't stand in your way

Now I miss you more Than I missed you before And now where I'll find comfort, God knows 'Cause you left me Just when I needed you most Yes, you left me Just when I needed you most

Now most every morning I stare out the window I think about where you might be I've written you letters that I'd like to send If you would just send one to me

'Cause I need you more Than I needed before And now where I'll find comfort, God knows 'Cause you left me Just when I needed you most Yes, you left me Just when I needed you most

You packed in the morning I stared out the window And I struggled for something to say You left in the rain without closing the door I didn't stand in your way

Now I love you more Than I loved you before And now where I'll find comfort, God knows 'Cause you left me Just when I needed you most You left me Just when I needed you most Oh, you left me Just when I needed you most
