

# Keep On Loving You

Dolly Parton

You should have seen by the look in my eyes, baby  
There was something missin'  
You should have known by the tone of my voice, maybe  
But you didn't listen  
You played dead  
But you never bled  
Instead, you laid still in the grass  
All coiled up and hissin'

And though I know all about those women  
Still, I don't remember  
'Cause it was us, baby, way before them  
It was us, way before them  
And we're still together  
We're still together

And I meant every word I said  
When I said that I love you  
I meant that I love you forever

And I'm gonna keep on lovin' you  
'Cause it's the only thing I wanna do  
I don't wanna sleep  
I just wanna keep on lovin' you  
Keep on lovin' you, babe

I just wanna keep on lovin' you, baby

And I meant every word I said  
I meant every word  
When I said that I love you  
I meant that I love you forever  
Love you forever

And I'm gonna keep on lovin' you  
'Cause it's the only thing I wanna do  
I don't wanna sleep  
I don't wanna sleep  
I just wanna keep on lovin' you

Baby, I'm gonna keep on lovin' you  
I'm gonna keep on lovin' you  
'Cause it's the only thing I wanna do  
It's the only thing  
I don't wanna sleep  
I just wanna keep on lovin' you
