

# Light of a Clear Blue Morning

Dolly Parton

Its been a long dark night  
And Ive been a waitin for the morning  
Its been a long hard fight  
But I see a brand new day a dawning  
Ive been looking for the sunshine  
Cause I aint seen it in so long  
But everythings gonna work out just fine  
Everythings gonna be all right  
That's been all wrong

Cause I can see the light of a clear blue morning  
I can see the light of a brand new day  
I can see the light of a clear blue morning  
And everythings gonna be all right  
Its gonna be okay

Its been a long long time  
Since Ive known the taste of freedom  
And those clinging vines  
That had me bound, well I don't need em

Cause I am strong and I can prove it  
And I got my dreams to see me through  
Its just a mountain, I can move it  
And with faith enough there's nothing I can't do

And I can see the light of a clear blue morning  
And I can see the light of brand new day  
I can see the light of a clear blue morning  
And everythings gonna be all right  
Its gonna be okay

I can see the light of a clear blue morning  
I can see the light of a brand new day  
Yes I can see the light of a clear blue morning  
And everythings gonna be all right  
Everythings gonna be all right  
Everythings gonna be all right

Its gonna be okay

Cause I can see the light of a clear blue morning  
I can see the light of a clear blue morning  
Yes I can see the light of a clear blue morning  
Everythings gonna be all right  
Its gonna be okay

I can see the light  
I can see the light

Its gonna be all right  
Its gonna be all right
