

# Magic Man

Dolly Parton

Cold late night, so long ago  
When I was not so strong, you know  
A pretty man came to me  
I never seen eyes so blue

You know I could not run away, it seemed  
We'd seen each other in a dream  
Seemed like he knew me  
He looked right through me, yeah

"Come on home, girl," he said with a smile  
"You don't have to love me yet, just get high awhile  
But try to understand  
Try to understand  
Try, try, try to understand  
I'm a magic man"

Winter nights, we sang in tune  
Played inside the months of moon  
Never think of never  
Let this spell last forever

Summer lover passed to fall  
Tried to realize it all  
Mama says she's worried  
You're growing up in a hurry, oh yeah

"Come on home, girl," Mama cried on the phone  
"Too soon to lose my baby yet, my girl should be at home"  
But try to understand  
Try to understand  
Try, try, try to understand  
He's a magic man  
Mama  
Ooh, he got magic hands

"Come on home, girl," he said with a smile  
"I cast my spell of love on you, a woman from a child"  
But try to understand  
Try to understand  
Try, oh  
Try, yeah, try to understand  
Try, try, try to understand  
He's a magic man  
Magic man  
He's a magic man

A magic man with luring eyes, changed the course of my young life  
He was a magic man  
I was oh, so quick to learn, I was caught up in the burn  
Of the magic man  
No one else could understand, unless you've loved a magic man  
Oh, the way he swept me off my feet, Mama's love could not compete  
A magic man is like a drug and I'm addicted to his love

He is a magic man  
He got magic hands

Oh, "Come on home, girl", he said with a smile  
"You don't have to love me yet, let's get high awhile"  
But try to understand  
Try to understand  
Try, try, try to understand  
He's a magic man, yeah, yeah  
Oh
